RE: FAR Case 2001-014

Dear Sir or Madam:

I am writing to express my **support** to the Bush administration's proposal to repeal the Clinton administration's rules on federal contractor responsibility. The rules require contracting officers to look at a Companies record of complying with the law in deciding whether the Company is a "responsible contractor" eligible to receive a federal contract. This law is unfair and federal contractors should be given opportunities to correct possible errors they may have made.

I urge the Federal Acquisition Regulatory Council **to repeal** the contractor responsibility rules and support President Bush in his decision.

Sincerely,

A handwritten signature in black ink, appearing to be 'SG' with a large loop at the end.
